

Attached Lidded Containers: Kaiman ® Range

54 & 65 Litre Kaimans

Offer Improved security, smoother conveyor flow and many innovative identification and handling features

06 Automation

Lids allow automated opening and optional reinforced conveyor base (54 & 65 Litre Models)

01 Performance

Stacks 7 high carrying 25kg unit load and nests to 70% when empty

02 Security

Tamper evident security seals deter theft

05 Identification

Ticket Window, textured areas (for removal of adhesive labels without leaving a sticky residue) recesses for permanent labels

03 Branding

Large print area on both long sides. Smaller print area inside the lid provides visible identification when containers are nested

04 Heavy Duty Base

Providing added strength for heavier loads
